1 Peter 2:9 (ESV)
Ephesians 4:12 (ESV)

We ought to experience God with the totality of our being in worship. Worship services ought to inform the mind intellectually, engage the heart emotionally, and bend the will volitionally. God wants thoughtful worshippers who believe, emotional worshippers who behold, and obedient worshippers who behave. God-centered worship produces people who think deeply about God, feel passionately for God, and live urgently in response to God.
