OUTREACHES

SAMARITAN'S PURSE

Trip Dates and location: Spring and Fall 2021;
other trips based on need

Trip Description:

Will serve for one week – arriving on a Saturday evening and departing the site on Friday evening.

To be notified of upcoming trips, email Doug Hassenzahl at dglsh65@aol.com

Open to adults willing to physically and spiritually impact an area during a stressful recovery time.

Devotions are conducted every morning by staff or volunteers. Immediately following dinner, volunteers will have an opportunity each evening to share their day's experiences with the entire group. After this, the evenings are free.

Costs: Samaritan's Purse covers all lodging and food expenses, provides all the tools, materials and safety gear. The team will divide the cost of a van rental and each person will be responsible for meals during the travel to and from the site.

Samaritan's Purse is a nondenominational evangelical Christian organization providing spiritual and physical aid to hurting people around the world. Since 1970, Samaritan's Purse has helped meet needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ. The organization serves the church worldwide to promote the Gospel of the Lord Jesus Christ.

North American Ministries responds quickly when natural disasters strike, deploying an army of team members to come alongside homeowners to bring relief and compassion in Jesus' Name. We also lead construction projects all around the USA. Specialized skills are not required for most projects. We look for team members who have a servant's heart and are willing and able to work hard.

Trip Description:

ENGAGE SUFFERING.....UNLEASH HOPE
Crossroads and Asia's Hope are partnering to care for orphaned children in Cambodia. Imagine for a moment the suffering these children faced before being rescued – hunger, the high potential of being trapped in the sex-slave trade, forced drug-running, exploitative child labor and early death. Now they have HOPE! Through the generous support of the Crossroads family, the children at the Crossroads of Hope 1 & 2 homes now have loving Christian parents and are receiving an education, medical care and food. They are being raised up in God's love, grace and hope. On these trips, we spend time with the families we sponsor, at the campus school and church, assist in evangelical outreaches in remote villages and on the campus, do a variety of projects or activities on campus and with our homes. We also take time to experience the culture and gain a better understanding of the challenges of being a Christ-follower in a country where there are less than 2 % Christians and centuries of worship to false idols.

SM

LOUISVILLE, KY

Tentative dates:

July 11th - 16th, 2021

Open to students and adult leaders

Team size is limited to 90 people. Applications are available in the fall of the year before the trip. The team meets throughout the year to prepare to serve with a proper attitude of humility, to pray, to serve the local church and community, and to fundraise.

Total Cost:

The cost will most likely be between \$375 and \$475 depending on a variety of factors including early registration, whether there are multiple students from one family, and the total number of people on the team. There are usually at least three fundraising opportunities for the team. Support letters are also a good way for an individual to raise funds. Additional help is available through the mission scholarship program. Mid-payments are due in March. Full-payment is due in May.

Trip Description:

The team travels by van to Kentucky. Students and leaders are divided into teams that serve with a variety of partners. Each team will experience both service through labor and relational service opportunities during the week. Teams spend the morning and early afternoons serving those in need in the greater Louisville area. The evenings are highlighted by worship, messages, and small discussion groups. Food is included in the price and is prepared by Crossroads volunteers. Every year, the trip to Louisville is a highlight for our students. It ignites a passion for Jesus and for serving others that launches us into a new school year. It unites old friends and introduces students to new friends.

A large white paper airplane is shown in flight, angled upwards from the bottom left towards the top right. It is set against a vibrant blue sky with scattered white clouds. Below the sky, a coastal town is visible, nestled at the foot of a range of blue mountains. The town features several tall communication towers. The foreground shows a dense green forest on a hillside.

Pray. Send. Go.
