

MISSIONS

PERSONAL - LOCAL - GLOBAL

2022 TRIPS

ENGAGES – EMPOWERS – EQUIPS

Thanks for exploring and praying about GOing into our world to make a gospel impact! Certainly, this worldwide pandemic has shown us how interconnected our world is and how we need each other. It has also revealed how much our world needs Jesus!

As you learn about the trips that are tentatively planned for 2022, please know that we will walk this journey carefully. While dates and costs are indicated, they are truly tentative at this point as we monitor the Covid situations in each country, travel requirements and restrictions and work with our mission partners as they give us guidance for the on-the-ground situation. Currently Covid testing is required in and out of every country within 72 hours of travel.

Some countries/mission organizations are beginning to require the Covid vaccine but not all. Will keep tabs on this changing situation for each country. If you are interested in a trip, please let Darlene Rudrick know, and she will keep you updated on the trip plans. Email darlene.rudrick@crossroadswired.com with questions.

SAMARITAN'S PURSE

Trip Dates and location: Spring and Fall 2022;
other trips based on need

Trip Description:

Will serve for one week – arriving on a Saturday evening and departing the site on Friday evening.

To be notified of upcoming trips, email Doug Hassenzahl at dglsh65@aol.com

Open to adults willing to physically and spiritually impact an area during a stressful recovery time.

Devotions are conducted every morning by staff or volunteers. Immediately following dinner, volunteers will have an opportunity each evening to share their day's experiences with the entire group. After this, the evenings are free.

Costs: Samaritan's Purse covers all lodging and food expenses, provides all the tools, materials and safety gear. The team will divide the cost of a van rental and each person will be responsible for meals during the travel to and from the site.

Samaritan's Purse is a nondenominational evangelical Christian organization providing spiritual and physical aid to hurting people around the world. Since 1970, Samaritan's Purse has helped meet needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ. The organization serves the church worldwide to promote the Gospel of the Lord Jesus Christ.

North American Ministries responds quickly when natural disasters strike, deploying an army of team members to come alongside homeowners to bring relief and compassion in Jesus' Name. We also lead construction projects all around the USA. Specialized skills are not required for most projects. We look for team members who have a servant's heart and are willing and able to work hard.

They also started Paz Bible College to raise up more church planters and dream of planting coffee house churches all around Japan. Trip Description:

ENGAGE SUFFERING.....UNLEASH HOPE
Crossroads and Asia's Hope are partnering to care for orphaned children in Cambodia. Imagine for a moment the suffering these children faced before being rescued – hunger, the high potential of being trapped in the sex-slave trade, forced drug-running, exploitative child labor and early death. Now they have HOPE! Through the generous support of the Crossroads family, the children at the Crossroads of Hope 1 & 2 homes now have loving Christian parents and are receiving an education, medical care and food. They are being raised up in God's love, grace and hope. On these trips, we spend time with the families we sponsor, at the campus school and church, assist in evangelical outreaches in remote villages and on the campus, do a variety of projects or activities on campus and with our homes. We also take time to experience the culture and gain a better understanding of the challenges of being a Christ-follower in a country where there are less than 2 % Christians and centuries of worship to false idols.
