NEXT STEPS

NEW HERE

Whether you are new or have been at Crossroads since the beginning, you can get more information about our church or talk with a Pastor at Next Steps. We would love to connect with you today and help you take the Next Step in your spiritual journey.

If this is your first time with us, Welcome! We have a gift for you. Just take the info card from the seatback in front of you, fill it out and drop it off at the New Here kiosk in the Lobby. We will also donate one dollar to one of our local mission partners in your honor just for being with us today.

Join us online at crossroadswired.com and text CCWIREDAPP to 77977 to download our free app.
