Matthew 13

Kingdom: God's _____ through God's _____ over God's _____

1. _____: What seems _____ and _____, has potential for _____

2. _____: The Kingdom _____ and _____ as God's people do God's _____

3. _____: The _____ provides Kingdom _____ for those seeking rest

It would be easy to look at the darkness of the world around us and to think that God's Kingdom is far from reality. But His Kingdom is reigning in the hearts and minds of His people right here and right now as He prepares us for the future physical Kingdom yet to be realized. Therefore, the church should serve as both an embassy of Christ's Kingdom and the temporary physical picture of that Kingdom. We represent heaven's rules, establish a visible outpost of Kingdom work, and testify to a King to whom every person will bow. ~Pastor Dave
