A Love Song: The Art of Dating

Song of Solomon 2:8-3:5

Three Cultural Trends to Combat:

1)_____ Culture 2)_____ 3)_____ is _____

The Art of _____: _____ another

-Know what _____ you're in

-Adhere to _____

-_____ and _____

The _____ in Dating: Neglecting the _____!

-Careful _____ what you _____

-Careful _____ where you _____

-Careful _____ what you _____

The unspoken rules of dating have changed dramatically in our day and age. Respect and honor have been replaced with passion and self-service. Patience and responsibility have been replaced with urgency and foolishness. Our understanding of how to pursue one another before and after marriage has been as sub-par within the church as in the culture. But with the Gospel and God's Word, we have the opportunity to turn the tide. We are called to appropriate pursuit of one another that lasts a lifetime built upon admiration, boundaries and true love while keeping a close watch on our vineyards. We must address the myriad of foxes, the sin around and within us, that seek to destroy our relationships and lives. -Pastor Josh
