*Life is filled with overwhelming obstacles. Situations that get in our way of growth, an enemy that wants to destroy us, the flesh that is constantly chasing sin, and a culture running away from God can leave us overwhelmed by fear and paralyzed to faithfulness. Consequently, the more you focus on the obstacles, the bigger they become. Yet, as you read the Bible, you find the people who followed God best had to shift their focus from the obstacle in front of them to the greatness of their God. A life of courageous faith is not the absence of fear but a motivation that is greater than fear. It's confidence in God's character and ability to accomplish His plan in His way. ~Pastor Dave*
